ABOUT ICA

The India-Canada Association of Kingston (ICA) is a non-profit and non-political community organization that has formally existed in the Kingston area since 1979.

ICA Heritage Day is an annual event, and has previously been staged at the Grand Theater from 2000 to 2005. The planning, and production of this event is truly a Community effort, with dozens of volunteers involved in various activities. Participation in Heritage Day has become a tradition for Indo-Canadian Kingston families with young children and offers the opportunity to establish new friendships, exposure to our shared cultural heritage, and the thrill of performing in front of an appreciative audience.

The ICA takes great pride in using these events, which are open to all, as a means of making a unique contribution to the quality of life in the Greater Kingston Area as a whole.

If you would like to participate in next year's event please visit our website at www.ICAKingston.com
